REMARKS

Applicants request favorable consideration and allowance of the subject application in view of the preceding amendments and the following remarks.

Claims 13-22 are presented for consideration. Claim 13 is the sole independent claim. Claims 13, 14 and 21 have been amended to clarify features of the invention. Support for these changes can be found in the original application, as filed. Therefore, no new matter has been added.

Claims 13-22 were previously allowed in this application. Applicants submit that the changes to claims 13, 14 and 21 do not affect the allowability of these claims so that those claims should remain allowable. Therefore, Applicants submit that this application is in condition for allowance. Favorable consideration and an early passage to issue are requested.

Applicants' undersigned attorney may be reached in our Washington, D.C. office by telephone at (202) 530-1010. All correspondence should be directed to our address listed below.

Respectfully submitted,
